

GEORGETOWN PRIMARY NEWSLETTER - MARCH 2021

Dear Parents,

As we come to the end of the spring term I would like to thank you all for your continued support. I am proud to be part of the Georgetown community and lead such a dedicated team of staff who have all worked so hard to make sure that our pupils settle back to school after such a difficult time. It has been an absolute joy to have our pupils back at school and see them enjoying time with their teachers and friends, long may this continue! I also wanted to thank you for your continued support during the drop off and collection of pupils. Thank you for adapting to the staggered gates and times, this is working well and has also helped to ease the flow of traffic around the school. These arrangements will continue into the summer term.

As we approach the summer term we are hoping to be able to enjoy the sunshine and spend a lot more time outdoors. We are awaiting new outdoor furniture for our Key Stage 2 children and hope to further develop our forest school area as well as other areas around the school to make them more accessible for our pupils.

A PLEA FOR HELP

- We are looking for parents/grandparents who could possibly help with some gardening and planting and removal of some bushes from Nursery/Reception areas. This would have to be done outside of school hours to ensure we are following social distancing rules.
- We are also looking for any kind donations of outdoor flowers or plants.
- Lastly, does anyone have any links to any builder's merchants or building yards who could kindly donate any stones/chippings/gravel etc. in order for us to revamp some of our outdoor spaces?

Any assistance would be gratefully received, so please get in touch if you can help.

Last but not least I have included some important information about forthcoming dates below. Please remember that Monday April 12th is an INSET and school is closed for all pupils- we will see you all on Tuesday April 13th. Have a lovely Easter break and stay safe.

Kindest regards,
Miss Lisa Thomas
Headteacher

PARENT CONSULTATIONS

Our parent's consultations will take place between **Monday May 17th and Thursday May 24th 2021**. Usually parents would be invited in to discuss their child's progress but unfortunately this cannot be the case again this year due to the Covid-19 restrictions.

Once again this term parent's consultations will take place over the telephone. Your child's class teacher will be in touch after Easter to discuss a convenient time and all parents will be given a 10 minute slot to discuss how their child has settled and ask any questions they may have. If you prefer, a video call can be set up, just let staff know when they contact you.

DATES FOR THE DIARY

Whilst Covid restrictions are still in place, our calendar of events will continue to look different but we are still committed to giving our pupils the best possible experiences to enhance teaching and learning opportunities. Please see below a list of planned dates and events for the summer term for your reference.
